BabyKakesInk Gifts Actress Jennie Garth to welcome the birth of her new daughter Fiona.

Plainfield, IL (PRWEB) November 13, 2006 -- Baby Swags has yet again teamed up with work at home moms to provide Actress, Jennie Garth and her new baby a special welcome home gift basket that is valued at approximately \$1500.00. Each gift provided was made specifically for Fiona from the loving hands of a work at home mom. Each mom choose to participate in this particular basket for their own personal reasons, however, the most popular was their love for Jennie and her role as Kelly Taylor on the Aaron Spelling hit television show, "Beverly Hills, 90210".

Sponsor, Sheila McGoldrick from LovePrints.net stated that she grew up with "Beverly Hills, 90120" and saw every episode. "I wanted to send my product to someone who I believe does not take anything for granted and would really appreciate it.", said McGoldrick. "I wish them all well." Ailene Hert from CordeliasCorner.com also states, "We wanted to give all of Jennie's daughters something to celebrate with after the arrival of the new baby." she adds, "We are very excited to be a part of helping Jennie and her family welcome their new little angel from heaven." Hert also adds that when Pometta invited CordeliasCorner.com to participate they immediately jumped on the opportunity!

"I try to find unique products that are made by work at home moms to make each basket itself unique."
